Only the card issued by the *Régie de l'assurance maladie du Québec (RAMQ)* is needed for your visit to the CHUM. A hospital card is no longer required.

➤ 4 **Registration terminals in Pavilions C and D**

During each of your appointments in Pavilions C or D, you must register your arrival at one of the registration terminals located near the clinics. Swipe your Health Insurance Card under the terminal card reader and take the slip that is printed. Volunteers will be on site to assist you.

➤ 5 **Accompanying family**

It is always reassuring to have someone accompanying you to an appointment. Do not hesitate to call on someone close to you to come along.
